

Yoshki Customer for Life Program

We've got you covered.

The Yoshki Customer for Life Program exists to help customers get the most value from their Yoshki solution.

Through the program, we provide a two-way channel of communication that promotes regular engagement, supports you and the best use of the product, and provides a mechanism for continuous feedback and improvement.

We act as your advocate within Yoshki, and your success is our success.

More than just product support

Our team is available to help strategize on all dimensions of Yoshki – from building effective Smart Searches, to creating brilliant Smart Badges, to effective marketing to your end users.

Ready to get started?

Our partnership begins the moment you become a customer, and there is *no additional cost*. Our Five-Star Quality Rated customer success team is ready to engage with you!

Product Training and Best Practices

- On-boarding and user training
